

Ethan Tran

Cinematographer | Camera | Lighting | Post-Production | Production Assistant
Chicago, IL | ejt1141@gmail.com | Portfolio: <https://epiclion99516.github.io/>

PROFILE: Early-career filmmaker with a focus in cinematography and hands-on experience across camera operation, lighting, and post-production on narrative, documentary, and live-event productions. Comfortable working in fast-paced, collaborative environments on both small crews and professional live productions. Experience creating short-form and narrative video content from capture through delivery.

TECHNICAL SKILLS

Camera & Imaging: Arri Alexa Mini, RED Komodo, Sony FX series, Canon EOS R5, Nikon D750

Post: DaVinci Resolve (editing & color), Adobe After Effects, ProTools, Media Encoder

Lighting: Studio and location lighting, DMX lighting control, exposure and color workflows

Live Events: Multi-camera and live-event workflows, projection and playback systems

Production: Media management, fast-turnaround delivery, on-set coordination

FILM & EVENT EXPERIENCE

Production Assistant | DePaul Visiting Artist Series — Chicago, IL 2024–2025

- Managed projection, media playback, and DMX lighting for large-format industry screenings and events
 - Captured and organized promotional photo/video content; maintained equipment across a full year of programming
 - Assisted visiting professionals with setup, breakdown, and on-site logistics

Director / DP / Editor / Camera Op | Independent Film Productions — Chicago, IL 2023–2025

- Contributed to 40+ narrative and documentary projects across multiple crew roles
 - Designed and executed camera and lighting setups across narrative, documentary, and experimental formats
 - Edited and color-corrected in DaVinci Resolve; delivered projects in multiple formats for academic and public exhibition under tight deadlines

Camera Operator | Arlington Independent Media — Arlington, VA 2019

- Filmed live community events and public programming
 - Assisted with camera and sound operation at festivals and local events
 - Mentored youth participants in filmmaking and storytelling techniques
